Dear Parents and Students:

We would like to welcome all of our new parents and students for a great year of learning. As new students, you will develop coordination, group interaction and listening, while learning basic Irish step techniques in a happy fun loving atmosphere.

The Woods School has produced great Irish step dancing stars over the years. This past year alone, we were very successful placing in both solos and Ceili (team dancing) at our Regional and National competitions. Our dancers have also competed all over the world including Ireland, England & Spain.

On our website you will find updated school information including schedules, cancellations, Feis information, events, photos, etc.

**This website will be your main source for information.
You can access it at www.woodsschoolofirishdance.com.**

Thank you for your interest in the Woods School. We look forward to seeing you at class and teaching your child.

Should you have any questions, please do not hesitate to call us at 617-464-4417 or send an e-mail to woodsschool@comcast.net.

Sincerely,

Peggy Woods Doherty, TCRG

Sincerely,
